

# EH-TW750

## DATASHEET / BROCHURE

Recreate the awe-inspiring cinema experience at home with this easy-to-use Full HD, 3,400 lumens projector with built-in Miracast.

Lose yourself in your favourite films with this Full HD projector. It's easy to move and quick to set up, so you can sit back and appreciate its bright 3,400 lumens display. Offering great value for money, it packs in a range of essential features, and a long lamp life providing 18 years' worth of entertainment<sup>1</sup>.

### Bigger is better

Feel immersed in your favourite movies and games with this Full HD 1080p projector, that's capable of creating an impressive 300 inch display. Bringing the screen to life, 3LCD technology achieves a display that is up to three times brighter than competitor products<sup>2</sup>. Its 16,000:1 contrast ratio also produces clearly defined shadows and deep blacks.

### Simple set up

We don't think a home projector should be any more complicated to use than a TV. That's why this projector is hassle-free and quick to set up with features such as keystone correction to help quickly position the image. Accessing your entertainment is easy too with two HDMI inputs (including one MHL) for connecting DVD players, games consoles and more. With the iProjection app and built-in Miracast it's easy to project directly from a smart device.

### Long-lasting solution

Looking for a long-term, hassle-free and affordable solution for watching your favourite movies? With this model's long-lasting lamp light source, you'll be able to watch a film every day for 18 years<sup>1</sup>.

### High-quality, bright images

Even in bright rooms, this powerful yet affordable Full HD 1080p projector delivers exceptionally bright yet colourful images with clear details. It's all thanks to 3LCD technology, which produces an equally high White and Colour Light Output of 3,400 lumens.
